WE BELIEVE IN

Our Natural Wood Veneer is a product of a continued pursuit of refinement and environmentally sustainable practices. We are committed to giving a new dimension to the home interior & hospitality industry. While in continuation of catering to the consumers creative impulses. Our Fluted Veneer collection is a creative opportunity & strive to stimulate the imagination and offer a new perception of spaces in the interior innovation.

if it's useful and beautiful, then it's design.

We don't just look at the aesthetics of our products, but also focus on the well-being that is generated by their use. fluting was used in India, especially in early architecture where decoration was created thru design cutting on different surfaces to create visual impulse. This is a range of exclusive designed to enrich the way we interact with the spaces around us.
